

SPORTSWALL PRO3

CEILING HEIGHT MIN: 2.4M / MAX: 3.2M

SPORTsWall PRO3 is the perfect solution for schools, sports halls, fitness centers, and various leisure facilities. The system includes a ceiling-mounted projector, a computer, and a motion-detecting camera that transforms the wall into an interactive surface.

SPORTsWall PRO3 offers a large interactive area, making it ideal for rooms with low lighting. It is suitable for both children and adults, providing an engaging and user-friendly experience that meets the needs for active play, learning, and training. With its compact and flexible installation, SportsWall is a versatile solution for any sports or leisure activity.
