

**DIY**

**MINI KAMPONG**

**WORKSHOP**

**INTRODUCTION:**

The Kampung House is an important part of Singapore's treasured heritage. Life in a kampung was mostly harmonious and the people readily offer their neighbours food, help and support.

**OBJECTIVE:**

In this program we wanted to introduce them the basic structure of the kampung house so that our history will not be vanished and let our students appreciate the origins of our homes.

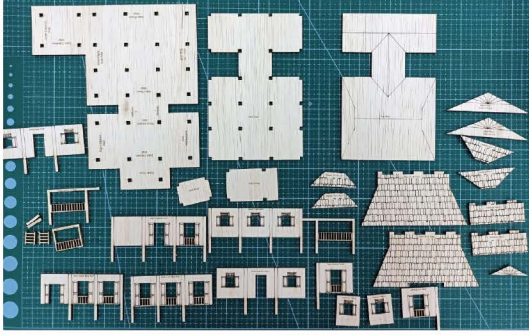

**WORKSHOP DURATION:  
1.5 - 2HRS**

Conducted by our **EXPERIENCED TRAINERS!**
